Quarterly Provider Meeting

This meeting will offer a discussion on how to implement inclusive practices in traditional child care settings.

Early Learning Coalition of Santa Rosa County

6555 Caroline Street
Milton, FL 32570

Birth-to-Three Standards Training

This training offers providers an age-appropriate understanding of the way young children think, create and engage in the early learning process. Providers will learn how to use the Standards for planning experiences and interactions that build upon young children's emerging talents and strengths in appropriate and enriching ways.

Early Learning Coalition of Santa Rosa County

6555 Caroline Street

Milton, FL 32570

Creative Curriculum® : Infants, Toddlers & Twos

Providers will learn skills that promote developmentally appropriate practices in the classroom as well as techniques to improve school readiness.

Completion of all twenty-four hours of training is required to earn a training certification of completion.

Early Learning Coalition of Santa Rosa County

6555 Caroline Street

Milton, FL 32570

Healthcare Topic: The Flu

Providers will be offered information about influenza viruses including the basics of flu infection, its spreading mechanisms and infection prevention strategies.

Teaching Strategies Gold™

This training offers information on a brand-new, ongoing observational assessment tool based upon years of feedback from thousands of educators about how children develop and learn. This assessment system helps teachers be intentional in their teaching by accurately pinpointing where children are in their development and learning.

Early Learning Coalition of Santa Rosa County
6555 Caroline Street
Milton, FL 32570

Attendance Guidelines

Technical assistance will be offered to providers on guidelines for completing attendance documentation.

This session is **mandatory** for new providers but all are welcome to attend.

27	28	29	30	31		

Teaching Science through the Literature of Dr. Seuss

During this in-service providers will learn how to bring science to life through approximately 35 Dr. Seuss books. Providers will be given a historical overview of Dr. Seuss's life, which will help them have a better understanding of the evolution of many Dr. Seuss books. Additionally, providers will engage in a wide-variety of hands-on science activities each connecting to the various themes found in the individual books introduced during the workshop.

Please look for flyer to be mailed with location of workshop.

Birth-To-Three Standards Training

This training offers providers an age-appropriate understanding of the way young children think, create and engage in the early learning process. Providers will learn how to use the Standards for planning experiences and interactions that build upon young children's emerging talents and strengths in appropriate and enriching ways.
